INTRODUCING WELLPLUS

Going beyond preventative care mandates
with student-focused features

Well*plus* is a bundle of student-focused features that brings together 24/7 Behavioral Health and Nurseline access, our Behavioral Health No-Disruption Guarantee, and our new \$0 Prenatal Vitamin Program. All features are included in the SHIP plan at no additional cost.

With more than 25 years of experience in Student Health, we take your students' well-being seriously. That's why we go beyond the preventative care mandates of the Affordable Care Act.

ADDRESSING THE NEEDS OF THE STUDENT POPULATION

✓ 24/7 BEHAVIORAL TELEHEALTH & NURSELINE ACCESS

CareConnect from Wellfleet Student is an integrated behavioral health program offering student members easy access to licensed behavioral health clinicians 24/7/365 via telephone.

Nurseline from Wellfleet Student Health connects student members to a registered nurse within seconds -- helping them manage their health on their terms through ease of access.

✓ BEHAVIORAL HEALTH NO-DISRUPTION GUARANTEE

We consider all Behavioral Health claims as in-network to ensure your students face no disruption with their mental health and substance abuse care throughout implementation. It is our exclusive and wide-open Mental Health Network.

✓ \$0 PRENATAL VITAMIN PROGRAM

Wellfleet Student members have access to select prenatal vitamins at no cost during their pregnancy.
